INFORMATION and CRITERIA CONCERNING ACADEMIC and/or TRAVEL BURSARIES

The Saskatoon Norwegian Cultural Society (SNCS) has established a Scholarship Trust Fund for the purpose of extending knowledge and understanding of the Norwegian culture. The interest from the Scholarship Trust Fund will be used to provide financial assistance to those persons wishing to extend their knowledge of Norwegian culture, either in Norway or in North America, through academic pursuits. The bursary shall be applied towards academic studies or travel for studies related to Norwegian culture.

PURPOSE AND OBJECTIVE OF THE BURSARY

The purpose of the Bursary is to provide financial assistance for eligible programs to active SNCS members who wish to increase their knowledge of the Norwegian culture, either in North America or in Norway. Eligible programs are those that enhance the knowledge and understanding of Norwegian culture defined as: the language, literature and history, music and song, folk dancing, and arts and crafts, which are native to Norway.

AVAILABLE BURSARIES

Subject to funding limitations and at the discretion of the Scholarship Committee, bursaries are available in the following amounts to successful applicants:

Travel Bursary: Up to \$500.00, depending on program and actual cost of travel

Academic Bursary: Up to \$500.00 for programs less than 14 weeks in duration, depending on the cost of the Program.

Up to \$1000.00 for programs greater than 14 weeks in duration, payable in two installments, depending on the cost of the program.

SCHOLARSHIP COMMITTEE

The Scholarship Committee is composed of two Board members and three members-at-large of the SNCS. The Scholarship Committee is responsible for the review and update of the SNCS Scholarship Trust Fund Agreement, policies and application processes, all of which may be amended from time to time by Board of Directors' motion.

The Scholarship Committee shall determine the eligible study opportunities that are in compliance with the aim and purpose of the Scholarship Fund.

The Scholarship Committee shall consider all applications for the Bursary, and will make recommendations to the Board of Directors with regard to final approval of successful applicants.

ELIGIBILITY CRITERIA

The interest from the Scholarship Fund shall be available to successful applicants from within the current membership of the SNCS and their immediate families, and who have been members for a continuous period of at least 4 months. Immediate family includes any children under the age of 21 years, who are resident in the parent member home.

An applicant may be awarded a travel bursary or an academic bursary, but not **necessarily** both in the same year. Applicants may apply for both, and will be considered for both, but may only be awarded one if successful.

Successful applicants may not apply for the same bursary as was previously awarded. A successful applicant for an academic bursary cannot reapply for an academic bursary, but may do so for a travel bursary.

There is no age limit for recipients, but the applicant and proposed program of study must meet all eligibility criteria.

Unsuccessful applicants are eligible to reapply.

APPLICATION FORMS

All applicants will be required to submit completed application forms by the required deadline(s).

AWARD CRITERIA

Proof of acceptance at the academic program or other documentation may be requested.

AWARD REQUIREMENTS

It is expected that, upon completion of course of study for which Scholarship funding has been made available, the recipient will use his/her knowledge to help further the Norwegian culture. This will be a prime consideration in the determination of the success of an application for a Bursary. The recipient will be required to make his/her knowledge and acquired skills available to the SNCS at a mutually agreeable time and manner.

The recipient will be required to submit a minimum one page written report to the SNCS for publishing in the Society newsletter. For longer programs, a mid-study update will also be required.

NON-COMPLETION OF COURSE OF STUDY

For programs not started: If the successful recipient does not begin their course of study, they will be required to repay the academic or travel bursary to the SNCS.

For programs started: For recipients of up to \$1000.00 academic bursaries, the second installment of the bursary will not be paid if the recipient discontinues their studies prior to release of the installment. For travel bursaries and up to \$500.00 academic bursaries, the recipient may be requested to reimburse some portion of the bursary to the SNCS.

Applications for Bursary funding shall be forwarded to the Scholarship Committee, c/o Saskatoon Norwegian Cultural Society Inc. at saskatoonnorwegian@gmail.com

Completed formal Application forms shall be submitted by **March 1st** of each year, for consideration for programs commencing in August or later of that year.

BURSARY RECEIPT

Successful applicants will receive their academic bursary on submittal of acceptance from the program institution.

For courses longer than 14 weeks, **the bursary will be divided into two installments, with the first awarded when eligible and the second awarded prior to the mid-point of the program of study.**
